Update on Campgaw Mt. Archery Range & Bergen County of Parks

Bergen Bowmen, Inc. representatives met with the Dept of Parks on May 30 concerning the archery range. A maintenance proposal was requested from the Bergen Bowmen. It was finally finished and delivered on Monday June 19 to the Dept of Parks. Hopefully the maintenance work will begin shortly after they have reviewed the proposal and accepted what work needs to be done. We will keep every one informed as this progresses.

We have 2 shoot dates held for us, but will not post them until we are satisfied that the archery range is ready. Our first concern is obviously getting the range serviceable again to the standards the Bergen Bowmen held at the range for 19 years at its current location on Campgaw Rd.
